

Huntsman Cancer Foundation Quick Facts

- In 1995, the Jon and Karen Huntsman family started Huntsman Cancer Foundation to ensure the future of cutting-edge research at Huntsman Cancer Institute (HCI) at the University of Utah.
- Huntsman Cancer Foundation's sole purpose is to raise funds to support the mission of HCI.
- All HCI fundraising initiatives occur through Huntsman Cancer Foundation, which is a public, functionally-integrated, Type III 501(c)(3) organization.
- Due to the generosity of the Jon M. Huntsman family in underwriting all fundraising expenses, 100 percent of all donations further the treatment, education, and research being conducted at HCI.
- Huntsman Cancer Foundation's Board of Directors includes Chairman, Peter Huntsman, University of Utah President, Ruth Watkins, President and Chief Executive Officer of Zions First National Bank A. Scott Anderson.
- One family cannot do it alone. Huntsman Cancer Foundation has received over 1 million gifts in support of the vision of the Huntsman family.
- Through Huntsman Cancer Foundation's Huntsman Heroes program, individuals and teams run, walk, ride, and fundraise while participating in events from 5Ks to marathons to 140 mile bike rides.
- In December 2012, Sigma Chi designated the Huntsman Cancer Foundation as its sole preferred philanthropic partner. To date, approximately \$8 million dollars has been raised through this partnership.
